

### SILLY STORIES:

Many \_\_\_\_\_ (period of time) ago there lived a \_\_\_\_\_ (animal) named \_\_\_\_\_ (someone in the room) who spent all of his \_\_\_\_\_ (verb ending with -ing). He was an \_\_\_\_\_ (adj) \_\_\_\_\_ (adj) creature and as such, he was \_\_\_\_\_ (adverb) \_\_\_\_\_ (adj).

One day, he decided to change his fortune by \_\_\_\_\_ (verb ending with -ing) \_\_\_\_\_ over the \_\_\_\_\_ (noun). Unfortunately for him, when he did, he \_\_\_\_\_ (past tense verb) and broke his \_\_\_\_\_ (body part).

Now he was truly \_\_\_\_\_ (emotion).

Just when things didn't look like they could get any worse, a wild \_\_\_\_\_ (animal) came and \_\_\_\_\_ (past tense verb) him from behind.

On the long walk back to his house, he stopped by his friend Earl's house. Earl said only three words to him: "you are \_\_\_\_\_ (adjective)."

Gary was the \_\_\_\_\_ (superlative) creature in the \_\_\_\_\_ (place).
