

Use the greater than and less than symbols (<, >) for the following.

Example: 52,740 > 41,999

42,434

35,000

159,720

153,940

74,826

104,923

25,972

67,890

429,005

420,005

54,309

54,302

33,800

10,980

836,284

836,590

48,000

49,000

42,881

55,089

723,080

723,200

184,882

184,890

35,808

39,212

193,888

193,100

545,343

545,344

40,139

47,792

205,278

205,289

202,991

205,542

81,113

87,120

15,546

15,000

349,856

368,487
