First write down a number, then fill in the place values for ones, tens,
hundreds, and thousands.

Example: 6,910

    6   = thousands
    1   = hundreds
    9   = tens
    0   = ones

_____ = thousands
_____ = hundreds
_____ = tens
_____ = ones

_____ = thousands
_____ = hundreds
_____ = tens
_____ =ones
