

Adverbs are used to **describe** verbs. Can you underline the adverbs in these sentences?

Example: Sheila happily did as she was told.

The man bowed politely before the queen.

The voyagers boldly went where none had gone before.

The news was entirely unexpected.

Talk quietly when you are in the library.

The dog growled hungrily at the sight of the bone.

Jessica laughed heartily at Edwin's joke.

The cat looked longingly at the fish lying on top of the table.

Come quickly.
